RESOURCES:

To implement the organization's goals and objectives, Trait d'Union USA-Mauritius relies on its human resources and income generated from the different activities organized by its members such as raffles, fundraising dinners etc. We invite persons of goodwill to contribute through donations of all sorts.

TRAIT D'UNION USA-MAURITIUS (TUUM) is a non-profit charity organization led by a group of volunteers, founded in 2002, in the Commonwealth of Virginia. It is registered as a charitable organization whose contributions are exempt from tax in the United States.

MISSION:

Trait d'Union USA-Mauritius is organized exclusively for charitable purposes. Its main objective is to provide needy Mauritian children, of any ethnic diversity or background, with the opportunity to achieve a better quality of life through education, healthcare and nutrition. The services are provided by staff members of the IMF and World Bank who are all volunteers and share the common goal of helping the poor children escape a life of poverty.

TUUM has helped Saint Pierre RCA School - St Pierre, Saint Esprit RCA School - Eau Coulee, Queen Victoria RCA School - Flacq, Notre Dame des Anges RCA - Mahebourg, Notre Dame de la Confiance - Curepipe, Olivia RCA School - Olivia, Saint Antoine RCA - Goodlands, in their renovations, the replenishing of their book supplies, replacing the roof, and an asphalted yard.

This year, TUUM is collecting funds to help renovate Montagne Blanche RCA by providing them with a multimedia room equipped with a laptop, a projector, new desks and chairs. TUUM is also sponsoring Foyer Namaste whose vision is to care for handicapped orphaned boys and girls.
